

JUNIOR CHAMBER SPONSORS CLINIC

ELEMENTARY LEAGUE HERE FRIDAY

C. L. Canady To Direct Meet

The Public Relations Committee of the Cameron Chamber of Commerce is sponsoring the Elementary School Interscholastic League Meet which is being held on the Ada Henderson school campus on Friday April 27.

Twenty one schools of this area have signified their intentions of participating in this meet.

Mr. C. L. Canady, Principal of the Ada Henderson school is director general of the meet and reports that students of Ada Henderson will participate in every event which is offered. There will be music contests, declamation, story telling, spelling, plain writing, tennis, valley ball, playground ball, and track events.

Local school officials have expressed their appreciation of the interest as expressed by the Chamber of Commerce through Mr. E. C. Cole, chairman of the public relations committee. Mr. Cole urges all citizens of Cameron to be conscious of the many visitors who will be in Cameron on Friday and to take time to show them a true spirit of welcome by just being "friendly" if you do not have time to actually attend some or all the events being held at the local schools.

Edwin Hardy Post No. 9 Submits Views Reached At Mass Meeting Here

The American Legion Edwin Hardy Post No. 9 held a mass meeting Friday night to discuss the Truman-MacArthur question.

After considerable discussion, the following views were submitted and wired to Elkins, Department Commander at Austin;

"The United States should not continue a delaying war confined to Korea only, we should blockade the China Coast with our Navy. Yes, we should furnish equipment to Chiang Kai-Shek for an invasion on the mainland of China. Yes, we should bomb Manchurian bases. We believe in the Foreign Policy as outlined by General MacArthur. Post No. 9 goes on record—That we lack confidence in our leadership in Washington.

Signed

Edwin Hardy Post No. 9
American Legion,
Joe D. O'Neill, Commander.

- Silverware, Chinaware, and Glassware.
- Housewares
- Notions
- Luggage
- Sporting Goods
- Jewelry
- Watches and Clocks

This meeting is open, of course, to all CPR 7 sellers including those who have attended the first meeting on this regulation. Those who wish to have the regulation explained to them again are invited.

Retail merchants are invited to attend this meeting which will be conducted by a team of price specialists from the office of Price Stabilization in Dallas. It is urged that those who have a copy of this regulation bring it along with them to the meeting.

THE SWIFT CLINIC OPENS THIS WEEK

Yoe Students Take Honors At Meet

Seventeen students from Yoe High school with their teacher sponsors, Coach Smith, Mrs. Bob Gordon, and Miss Marjorie Williamson, returned from the regional Interscholastic League Meet in Georgetown with a good share of the honors.

The slide rule team consisting of Douglas Obermiller, Walter Kelm, and Milton Winfield won 1st, 2nd, and 3rd place in that event. Only two places are eligible for the state meet and Obermiller and Kelm will represent Yoe High School at the state meet in Austin on May 4 and 5. Virginia Graham won third place in extemporaneous speaking and Florence Ruth Boecker won 1st place in numbers sense, and will go to the state meet.

In the track and field events, the Yoemen took 9 points and Eddie Lankford qualified for the state meet by winning 2nd place in the 100 yard dash and the 440 yd dash.

At the district meet held in Cameron two weeks ago, Douglas Obermiller tied the state record in slide rule. This is a contest in higher mathematics and this team is coached by Mrs. Bodie Jones, math teacher in Yoe High school.

Sunday Drill Checks Total \$2,130.00

By LLOYD ALBERTSON

Approximately twelve hundred dollars in checks, representing pay for week-end drills, was received by members of Battery C, 649th Anti-Aircraft Artillery Battalion, the local National Guard Unit, during the past few days.

This amount was for Sunday afternoon drills only, and was in addition to the \$2,130.00 in regular armory drill pay which the Guardsmen received three weeks ago.

Another payment for week-end drills will be made next month, Capt. Rudolph Michalka, Battery commander, said. It is expected that this will be a larger payroll, since it will reflect increases in pay due to the twenty or more promotions of enlisted men made in the unit recently.

Capt. Michalka also stated that Battery C's gun crews are scheduled for one more period of tracking and aiming practice at the Cameron airport on Sunday afternoon, April 22nd. The planes used as tracking targets will be flown by pilots of the Civil Air Patrol from Marlin.

Draft Call Is Made For Additional Doctors

The Defense Department called for the draft of 1,202 doctors during because there have not been enough in July, August and September.

Officials said the draft call is needed because there have not been enough volunteers to fill medical needs. If enough doctors volunteer, the present requisition will not be necessary, the department said.

The call is for priority one doctors—men who received medical education at Government expense or were deferred from service during World War II to attend medical school, and who have served less than 90 days in the armed forces.

Only one previous call for the draft of doctors under the draft law amendment of Sept. 5, 1950, has been issued. That call was made Oct. 10. At that time the department asked for 1,522 doctors, dentists and veterinarians. No one, however, was actually inducted under that call. Sufficient men volunteered before the inductions took place.

Airplane Trip Prize For Scout Salesmen

H. H. (Pete) Coffield's private twin-engine airplane will carry four Boy Scouts on a free air tour of East Texas after the Heart O'Texas Council Scout circus is held in Waco next Friday night.

Coffield is donating the trip to the four lads—two from Waco and two from the nine-county council area—who sell the most tickets to the Scout circus.

Deadline for reporting contender's names to council headquarters here is Monday, April 30, says Harvey Price, council executive.

The lucky winners will visit Lone Star Steel Co. plant at Daingerfield and a glass factory at Palestine, accompanied by Coffield's private pilot and an adult chaperone.

Tickets now are on sale throughout the area for the gala Boy Scout circus scheduled at Municipal Stadium Friday night featuring 4,000 boys in a thrilling and colorful display of Scout prowess. If rain occurs, the circus will be staged Saturday night instead.

Coffield, Rockdale oil operator and financier, has been prominent in scouting for many years. At present he is a member of executive board of Heart O'Texas Council. He also is National Council representative and vice chairman of Region Nine, BSA, comprising three States.

Miss Pauline Gunnels Dies Of Sudden Heart Attack Her Home At Liberty

Miss Pauline Gunnels, 12 year old school girl of the Liberty community died suddenly near the family residence at 7 P. M. Wednesday evening April 18.

Miss Gunnels, with members of the family were returning home from the field in a wagon when the team attempted to run away but was later calmed. Miss Gunnels stepped from the wagon and collapsed and died instantly.

Pauline was the daughter of Mr. and Mrs. Dave Gunnels of Liberty and had lived in that county all of her life. Her death was caused from a heart attack.

She was born September 23, 1939 at Liberty.

She was the granddaughter of A. J. Gunnels of Liberty, and Mrs. R. C. Conley of Cameron.

Funeral services were to be held from the Liberty Methodist church at 4:00 p. m. Friday, April 20, 1951 with Dr. Mark C. Magers, Pastor of First Methodist Church, Cameron, officiating. Interment in Liberty Cemetery with Marek-Burns Funeral Home directing the arrangements.

Training School Here May 1 and 2

A training school for leaders, mothers and others who will help with the Girl Scout day camp to be held in Cameron in June, will be held at the Girl Scout Hut May 1 and 2.

Miss Frances Sowell of Austin, field representative, will conduct the school, Mrs. David Shapiro, president of the Cameron Girl Scout council, said.

The school to be held from 9:30 a. m. to 3:30 p. m. will include training in out-door and out-door cooking. Those attending the school will bring a lunch on the first day of the school and will cook out on the second day.

The Girl Scout day camp, which is being planned for four days, will begin June 12, Mrs. Shapiro said.

Sgt. Coy T. Malone Is Winner In Contest

Sergeant First Class Coy T. Malone, of Fort Bliss, son of Mr. and Mrs. Eric Malone of 611 E. Main St., Cameron, was one of the winners in the Fourth Army area's recent Crafts Contest.

The Bliss man's entry was a lady's shoulder bag of handcarved leather. It will go to Washington to be entered in the All-Army Crafts Contest.

As a Fourth Army winner, Sergeant Malone will be presented a "Certificate of Achievement" signed by Secretary of the Army, Frank Pace Jr. He will also receive a letter from Lt. Gen. LeRoy Lutes, Fourth Army Commander.

Sergeant Malone was reared in Cameron and was graduated from high school there. He entered the Army in 1940 and has had two tours of duty in Italy, one during World War II and one shortly afterwards. He spent approximately two years in Trieste.

In 1949 he was returned to the United States from overseas as a patient and it was while he was in the hospital that he took up leather work. He has been stationed at Fort Bliss since July 1949 and is now a member of Headquarters Battery 4052nd Area Service Unit. His duty is that of chief property clerk for Special Services.

The Cameron man is married and has three children. He and his family live in quarters in Victory Park, Fort Bliss housing area.

Parts Of Texas Gets Cooling Rains

During thunderstorms Wednesday afternoon Cameron received .36 inches in much needed rain as a weak cool front pushed through Central and Northeast Texas.

Cooler and partly cloudy skies were forecast in West and Central Texas Thursday. The East Texas forecast called for mostly cloudy skies with scattered showers in the east portion.

At sundown Wednesday the front was on a line stretching southward from Ardmore, Okla., through Fort Worth, Waco and San Antonio. Thunderstorms struck Fort Worth, Dallas, Waco and Sherman.

Earlier rains fell in Bryan and Corpus Christi.

Afternoon temperatures were in the eighties ahead of the front with a high of 87 at Abilene. Behind the front in the Panhandle and South plains, readings were in the seventies.

Yoe High Band Will Play Concert At Mary Hardin Baylor

The Yoe High School band is going to Belton Saturday (April 28) to play a concert at Mary Hardin-Baylor College. This concert is by special invitation of the College administration, and will be played before the assembled student body of the College, also certain invited guests from nearby towns.

The band will leave Cameron about 7:30 and will play the concert at 10:00 a. m. The concert will consist of three contest numbers, also selected concert numbers both serious and light. The band will carry approximately 85 members on this trip.

The return trip will be made shortly after the completion of the performance.

Dr. Swift Moves To New Location

Dr. C. G. Swift announces the opening of "Swift Clinic" located in the 300 block on North Central.

The Swift Clinic is one of the most modernistic of its kind and will feature all the modern facilities available which will include modern X-ray, physical therapy treatment and all other modern equipment used in the up-to-date clinics in larger cities.

Construction was begun on this modern building in February with Stanley Hughes, well known contractor in charge of the construction. Materials were purchased from the Wm. P. Carey Lumber Co. The clinic will have complete accommodations and facilities for two doctors.

The front of the building is made of modern transite material and Roman stone. Transite is being used in many of the most modern constructions of the present day as front decoration.

Dr. Swift has been a resident of this City for the past 15 years, coming to Cameron from Waco. He is well known here and throughout the county and central Texas as an outstanding physician and friends here are congratulating him upon his progress and success in his profession. He is also president of the Cameron School board as well as a member of a number of civic organizations.

Dr. Swift has always been interested in municipal affairs and progress in the City, and has made outstanding achievements in his profession since coming to this city. He is now in operation at his new location.

St. James Guild Sets Extension Day Program

The Evangelical and Reform St. James Guild at Vogelsang will have Extension Day program, Thursday, May 3, at 8:00 P. M.

Theme for the program will be "Earth Shall Be Fair." All Guild members and their families are urged to attend, and visitors are cordially invited.

The St. James Guild will hold their regular monthly meeting on Tuesday night, May 15 at 7:00 o'clock instead of the second Sunday which falls on Mother's Day.

All members are urged to attend and bring a covered dish to be served during the social hour.

Operators of Food And Drink Must File

All eating and drinking establishments—including restaurants, soda fountains, bars and taverns—in the 39 Southeast Texas counties of the Houston District Office of Price Stabilization must file by Monday, April 30, base period statements of cost per dollar sales with the Houston OPS.

The reminder to operators of food and drink establishments was issued by Fred C. Hopkins, price executive of the Houston OPS.

In accordance with Regulation 11 issued March 13, each eating and drinking establishment must file with the Houston OPS a statement showing gross sales and food costs for a base period covering the calendar year 1949 or for the 12-month period prior to June 30, 1950.

The address of the Houston District Office is 517 La Branch Street, Houston.

An operator may elect which 12 month base period he may use in computing his statement, Mr. Hopkins explained. In choosing a new base period, the operator should use the one for which he has the most complete records, he pointed out.

New Cameron Drug Introduces New Kind Of Home Permanent

"Ivan of Hollywood" winner of the Grand National Gold trophy for hair-styling says "Nutri-Tonic Home Permanent is the best. Ivan says Nutri-Tonic Home Permanent has been used in commercial beauty shops for the past 18 years and is the only patented oil base lotion which reconditions as it waves, and it can wave some hair in just 5 minutes. It is now available at New Cameron Drug Co. in Cameron.

"Ivan of Hollywood," a former associate with Perc Westmore, stylist for Twentieth Century Fox Studios. He has styled the coiffures of such well known screen personalities as Lana Turner, Greta Garbo, Kathryn Grayson, Joan Leslie and Arlene Dahl.

Ivan believes that comfort, as well as style-consciousness will cause most women to continue favoring the medium short hair length, and this style has proved to be more becoming to the great majority of women. Ladies with long necks, however, should wear their hair a bit longer than this because they require the extra fullness and softness at the neckline.

When using home waving methods, Ivan suggests rubbing the ends of the hair with a special cholesterol lotion before using the chemical waving lotion. This will prevent splitting ends. For the smart "middy" length wave, Ivan advises that the crown of the head be left smooth and that the curls start just below it.

Ivan is also the author of two best selling books on hair styling. One of which is used as textbook in beauty schools throughout the nation and the other is a hand manual which can be used at home by the busy housewife who wants to experiment with home styling.

Red Cross Rallies To Aid Homeless In Waco Storm Area

The Red Cross rallied round quickly to help 84 bewildered Negro men, women, and children made homeless by a windstorm that destroyed or damaged 28 houses Friday night at Carver Park in East Waco.

Food and shelter were arranged for them, first aid offered to those in need of it, and a fast survey was made of the damage.

The Red Cross worked up a complete list of damaged houses and homeless people, and set up a field commissary where hot coffee, milk, sandwiches, fruit and doughnuts were served.

The work of the relief agency was handicapped early Saturday morning by lack of people in authority; policemen were a big help, but they were busy with traffic on the muddy streets and with similar work. By 10 a. m. however, City Manager R. C. Hoppe joined Red Cross Secretary Paul Darwin and went around with him inspecting the damage.

Lodging was arranged for such families as needed it. Most of them were with relatives, but two families, 12 persons in all, wanted places to stay, and it was arranged for them to take quarters in a dormitory at Paul Quinn College.

Red Cross Secretary Darwin headed a relief crew that reached the scene early Saturday morning, as soon as police advised Darwin of the event.

They tallied the loss, found 28 houses damaged, 15 of which were destroyed. All the destroyed houses were pre-fabricated plywood, set up by the Federated Construction Co. Regular construction frame houses, set up by the Federal Building and Sales Co. just across the street from the devastated area, were not blown down, although they were damaged by flying debris from the pre-fabricated houses, Darwin said.

Texas Cotton Income

The National Cotton Council estimated that cotton meant approximately \$6,220,700 in cash income to Texas farmers each working day of the 1950 growing season.

Value of Texas grown cotton accounted for 29.6 per cent of the total for the 14 major States. Texas produced 2,900,000 bales last year on 6,700,000 acres, bringing an average value per acre of \$102.13, cotton council figures showed.

The council placed the overall value of Texas cotton lint and seed at approximately \$684,275,000.

Allies Forced To Withdraw On Front

(From The Daily)

TOKYO, Monday, April 23— Communist forces opened their long anticipated Spring offensive Sunday night under the heaviest enemy artillery barrage of the war and drove United Nations troops back almost everywhere along a 95-mile front today.

The Chinese drove a 1,000 to 2,000 man force into a break in the U. N. lines on the west central front in the first 12 hours of the all-out attack.

In other places along the front, stretching from Kaesong in the west to Inje in the east, the Allied line recoiled varying distances.

The attack came under the bright glow of a full moon Sunday night.

Smashing forward recklessly, the Reds exposed themselves to withering Allied artillery and small arms fire and heavy air attacks. They took heavy losses on the west central front where they poured troops in division strength into the assault and scored their gains "by sheer weight of numbers."

Allied officers admitted today the situation was "serious."

Although the depth of the Red penetrations into Allied lines was not specified in censored front dispatches the most serious blows appeared to be west of Hwachon, south-southwest of Kumsu, and on the western flank below the 38th Parallel where the Reds crossed the Imjin River on a 15-mile front.

The first Red attack on that front Sunday night was thrown back by counterattacking Allied troops who regained ground lost to the initial onslaught. However, the Reds attacked again to drive the allies back once more.

Farther west, below Chorwon, two enemy divisions attacked, forcing two Allied units to pull their lines back. The Allies gave up a key hill at one point and fanatical Reds were reported moving across it later in columns of twos, never breaking ranks even under the tremendous weight of United Nations artillery which fired all night.

Mr. Poston, a practicing attorney in Houston for 17 years and a veteran of world war II was nominated an enforcement director of February 14—16 days after the opening of the Houston OPS. His confirmation was cleared in Washington and the regional OPS in Dallas.

Mr. Poston served in the Fifth Air Force nearly three years, from 1942 to 1945. He was staff sergeant stationed in the Southwest Pacific.

He was assistant city attorney of Houston from 1936 through 1939 and also was city treasurer in 1938 and 1939.

Active in veterans affairs, he served as district commander of the Veterans of Foreign Wars two years, 1946-48, and as VFW Harris County commander in 1948-50.

From 1946 through 1948, he was chairman of the Harris County Council of Veterans Organizations and it was early in this period that he broke up the Houston used car black market that was preying on veterans.

Mr. Poston also took an active role in leading the fight to halt fraudulent GI home sales in 1948 and 1949 when he was chairman of a committee investigating the resale of homes to former servicemen.

After eight years as a fireman for the Southern Pacific Railroad, he became a member of the Houston Police Department and studied law while on the force, attending the Houston Law School.

He received his license to practice law in 1933.

Highway slaughter maintained its high rate in Texas last month. The Department of Public Safety reported 196 killed compared with 175 in March a year ago.

This year's traffic fatalities toll soared to 541 compared with 498 in the first three months of 1950, a 9 per cent increase.

Seeing is believing, but as often as wives see their husbands, they still don't believe them.

Mrs. R. L. Batte's many friends will regret to learn that she is ill and is a patient at St. Edward Hospital. It is hoped that she will soon be able to return to her home.

Army Cuts Draft Quota For May Call to 40,000

WASHINGTON, April 18— The Army Wednesday cut its May draft quota from 60,000 to 40,000 men and announced that all enlisted reserves called from the inactive list for Korean service will be released by Dec. 31.

Military authorities said the slash in the draft call was made possible by an upsurge in enlistments and the fact that Korean casualties "have continued substantially fewer than the estimates based on casualties sustained in the earlier phases of the fighting."

Houston Attorney Director Of OPS

Rex Poston, 44-year-old Houston attorney who is credited with smashing the Houston used car black-market which victimized veterans after WW II, officially became enforcement director of the Houston District Office of Price Stabilization.

Mr. Poston's appointment was the first official act performed by Charles H. Winerich Jr., after his permanent appointment as director of the Houston OPS Wednesday.

Mr. Poston, a practicing attorney in Houston for 17 years and a veteran of world war II was nominated an enforcement director of February 14—16 days after the opening of the Houston OPS. His confirmation was cleared in Washington and the regional OPS in Dallas.

Resolution Of Deceased County Superintendent Read And Adopted 1925

Jim Chadwick, former Cameron man who died at his home in Del Rio Monday April 1, 1951 was elected County School Superintendent of Milam County Schools in 1915 and served without opposition until January 1925.

The following resolutions were read and adopted in February 1925:

WHEREAS Mr. James F. Chadwick is retiring from the County Superintendent's Office after ten consecutive years of service to the schools of Milam County, and whereas the unselfish service of the said James F. Chadwick has been of untold benefit to the citizenship of this county, therefore be it resolved

1. That the County Board of Education of Milam County as the representative of the citizens of Milam County assure Mr. Chadwick of their sincere appreciation of his work in improving educational conditions in the County.

2. That the attention of the general public be directed to the following achievements of Mr. Chadwick's administration:

New School House Erected
In the ten years of Mr. Chadwick's administration, 30 new frame buildings and two brick buildings for white schools have been built; eight frame additions to buildings have been made; four frame buildings for Negroes have been erected and funds made available for the erection of two new buildings.

Taxes For Support

When Mr. Chadwick took over the duties of County Superintendent in 1914, twenty one school districts had no local tax. Of this number, only five remain without local tax. Only one District had as much as fifty cents local tax in 1914, while in 1924 46 districts had tax rates of fifty cents and more. Twenty one of this number having a rate of 75 cents. During the ten year period, forty seven districts increased their tax rate, while eleven made no increase.

Consolidations Affected

During the ten year period, nine consolidations were effected as follows: San Gabriel, Conoley, Salty, New Salem, Hoyte, Branchville, Jon-

es Prairie, Sharp and Fairview.

Other Achievements
Aside from the tangible evidence of progress made under Mr. Chadwick's guidance and more important and far reaching than were material improvements, is the wholesome sentiment in favor of the public schools brought about by his influence, which we trust, shall continue to grow until the rural schools of Milam County shall be second to none.

3. That it is the conviction of the members of this board that Mr. Chadwick's investment of life in the service of the youth of this county is paying and will continue to pay large dividends not to him only but to the State and Nation which he has chosen to serve.

4. And be it further resolved that these resolutions be spread upon the minutes of the Board, that the Secretary furnish a copy of these resolutions to the said James F. Chadwick and to each of the newspapers of Milam County.

Respectfully submitted,
B. R. THOMPSON
J. R. WALLACE

Waco Man Charged With Robbery

Lawrence E. Holte, 26, of Waco is being held in the Milam County jail, charged with armed robbery according to Sheriff Carl C. Black.

Mr. Holte purchased a pint of whiskey from Claude Lewis, manager of the Anderson Package Store near the underpass on Highway 36 in Milam County near the Bell County line, around 10 P. M. Wednesday April 18. He handed Mr. Lewis a \$5 bill and when Mr. Lewis opened the cash register, Holte drew a gun, a .45 automatic made in Japan, and demanded Lewis to sack up the money.

Mr. Lewis placed \$339 in a bag and handed it to Mr. Holte. He demanded that Lewis and another helper at the store to walk out of the store ahead of him. After stepping outside, Holte got into his car and headed toward Cameron.

After a few miles down the highway, Holte decided to turn back and go to Temple and stopped at the underpass to change clothes.

In the meantime Mr. Lewis hailed a truck to Rogers where he contacted City Marshall Tucker and they immediately called Sheriff Black. While they were placing their call to Sheriff Black, Mr. Lewis recognized Mr. Holte's car pass through Rogers in the direction of Temple and Marshall Tucker immediately put in a chase for Holte and overtook him between Heidenheimer and Temple where he surrendered and was brought on to Cameron and placed in jail.

North Fort Hood Has Inspection Thursday

North Fort Hood stood its first inspection by visiting dignitaries Thursday as Major General Hobart Gay, Deputy commander of Fourth Army, visited the growing region.

Accompanied by Major General Williston B. Palmer, second Armored Division and Post Commander, and Brigadier General Charles K. Gailey, General Gay drove up to North Hood early Thursday morning.

There they were greeted by Lieutenant Colonel R. W. Adams, acting commander of Combat Command "A" of the First Armored Division. That command is first to occupy the area as a permanent unit of the Army since 1945.

Plans were discussed for the development of North Hood then Colonel Adams acted as guide for visits to mess halls, tented barracks, headquarters and other installations. A motor tour throughout the area demonstrated the great amount of reconstruction that has been done there since it was re-opened several weeks ago.

Cadremen for the units stationed there could be seen preparing the region for their troops who are due to arrive soon.

On the return trip to South Fort Hood various units of the Second Armored Division that were training in the field demonstrated their effectiveness for the inspecting Generals.

Mr. and Mrs. W. H. Black of Port Lavaca were visitors in Cameron over the past week and where they visited relatives and friends. Welcome Rain Falls With Freak Twister

A freak twister dipped and swerved through the new Carver Addition in East Waco about 9 P. M. Friday, damaging 12 houses and injuring at least one person, as roofs and walls were ripped from the homes.

More than an inch of rain, a lifesaver to acres of corn, oats, and small grain in the Waco area, accompanied the house-wrecking storm Friday night. Thundershowers fell in scattered areas of Central Texas, easing the drought that has been compared to the 1925 drought—one of the worst on record.

Heavy rain was reported at Mart and McGregor, and in the immediate territory.

Most of the occupants of the damaged houses were caught in bed when the twister struck without warning. Walls toppled crazily over furniture and beds, and roofs were neatly lifted from the dwellings and spread for yards around.

An estimate of damage ranged from \$50,000 to \$70,000. The homes some prefabricated at an estimated cost of \$5,000 each.

Roads to the area were almost impassable as an inch of rain had recently fallen. The homeless families stood out in the ankle deep mud, some stunned and others trying to salvage clothing and household fixtures before more rain could damage them.

West Texas was buffeted by high winds, sandstorms, twisters and soaking rains Friday afternoon and evening as turbulent skies pushed thundershowers eastward.

The welcome rain brought hope to wheat farmers and to gardeners, and paved the way for spring planting of row crops.

A small twister wrecked a three-room house south of Wichita Falls and damaged a trailer house during the afternoon when it hit near the Wichita County Farm. Electric service in downtown Wichita Falls was off for 12 minutes.

Texas Peanuts Given 19,657 More Acres

WASHINGTON, April 18, Texas' peanut allotment has been raised from 376,732 to 396,369 acres. The Agricultural Department made this change Tuesday in increasing the nation's planting permits about 6.6 per cent.

The changes were made to allow greater production of food types likely to be in tight supply and to provide for a "fairer" division of allotments among states.

Peanuts will be grown under rigid production and marketing quotas designed to prevent over-production.

Tuesday's action was taken under authority of a recent congressional revision in laws affecting peanuts.

All states got larger allotments except Arizona, California and Oklahoma.

The department said county offices of the department's Production and Marketing Administration will mail notices to individual farmers of allotment increases within a few days.

The revised state allotments and

the previously announced allotments, respectively, include: Arizona, 801 and 801 acres, California 1,050 and 1,050; New Mexico, 6,302 and 4,975; Oklahoma, 153,298 and 153,298; Texas, 396,369 and 376,732

OUR APPRECIATION

We want to thank the many friends from Cameron and Bryan who helped us in any way when our home was destroyed by fire. We especially want to thank the members of the Cameron Fire Department, Carl Black, Mrs. Johnny Baker, Leon Brady, the Vocational School and the Marlow community. Also to Mr. and Mrs. E. H. Walston for the house which we are now living in. To all who gave or helped in any way, may God bless you is our prayer.

"I'VE PUT THE EQUIVALENT OF FOUR YEARS' DRIVING ON MY '50 DODGE!"

"As a salesman, my 1950 Dodge is always on the go. I figure that I have already put the equivalent of four years of average driving on it—without spending any appreciable amount of money for repairs."
—says Harry H. Hurst
Houston, Texas

"DROVE MY 1937 DODGE 150,000 MILES!"

"Mine is a 1937 Dodge—and it's still going strong! It has already covered more than 150,000 honest, dependable miles. No wonder people say it's Dodge for dependability."
—says Mrs. Noble Swisher
Chicago, Ill.

"MY 1948 DODGE STILL LIKE NEW!"

"My work calls for thousands of miles of driving a year, yet my 1948 Dodge still has that 'new car' pep and feel. Outside of regular servicing, it has yet to see the inside of a repair shop."

DODGE**

Drive It Five Minutes And You'll Drive It For Years

You could pay up to \$1,000 more and still not get all the extra room, riding comfort and rugged dependability of Dodge

TAKE THE WORD OF OWNERS who know Dodge value and dependability from actual experience. "No major repairs in four years' driving" . . . "After driving another make less than a year, I'm back with Dodge again" . . . "Driven my Dodge 150,000 miles and it's still going strong." These are not unusual comments we receive from Dodge owners coast-to-coast. Dodge dependability starts with a heavy, rugged frame, a "Get-Away" engine "speed-proofed" to resist wear, designed to be a miser on gas. There's a safe, rigid, all-steel body, rubber-mounted to eliminate rattle, squeak.

New Safer, Smoother Ride
Dodge Oriflow Shock Absorbers "float"

you over roads that stop other cars, cushion vital chassis parts against road shocks . . . make them last years longer. And with this traditional Dodge quality of dependability goes extra headroom, leg room, elbow room found in no other car . . . "Watchtower" visibility in every direction. Longer lasting, smooth acting Safe-Guard Hydraulic Brakes make every mile you travel safer, more relaxed.

Come in Today

Take 5 minutes to check Dodge dependability in long life, in extra comfort and safety, low-cost maintenance and gas economy. It will be the most profitable 5 minutes you ever spent.

FINE MATTRESSES MADE IN WILLIAMSON COUNTY

Fine mattresses do not have to be made in far away places to be good. These are made in Williamson County in the little enterprising town of Round Rock.

The management of the Best Bedding Company of Round Rock states that the finest innerspring mattresses are being made every day from old mattresses. Strange as it may seem, staple cotton never seems to get old and many patrons of the Best Bedding Company are surprised and delighted to know that the old mattresses they had forgotten about could be used to such good advantage.

The Best Bedding Company was established in Round Rock in 1927. They have never added kindred lines, such as tarpaulins or awnings. Through the years they have been specializing only in mattresses, and everything new is added as soon as it is developed.

While the firm renovates regular cotton mattresses, often it is called upon to make very odd sizes, such as doll mattresses 16 inches wide by 24 inches long. The largest innerspring mattress they were ever called upon to make was six feet wide and eight feet long.

Further information concerning services of this company can be obtained by writing them. (Adv. 1T)

Two Men Given Prison Term In Trial Tuesday

Two negro men were tried in District court Tuesday for Burglary and received two years in the State Penitentiary.

McKinley Harre, ex-convict entered the Robert Folschinsky home at Vogelsang in September 1950 and took money amounting of \$36.00 from purses in the home. Harre had been in the Milam County jail until his trial this week.

John Henry Lewis, Cameron negro was caught while attempting to enter the Caperton's Five and Ten cent store was charged with attempted burglary and also received the two years term.

The court appointed Don Humbles to represent the defendants in order to waive a jury.

The negroes will be taken to the State penitentiary this week.

Everything closes now at midnight. That is, everything but the wife's jaws.

Allies Withdraw On Lines Near Seoul

TOKYO, Thursday, April 26—Savage Allied counterblows stemmed the Chinese Red offensive on the critical Korean central front Wednesday. The enemy drive was slowed by bloody losses.

United Nations ground forces in the west withdrew slowly toward Seoul. The motorized columns stretched for miles along the dusty roads from points 25 miles north of the shattered Republican capital.

Allied air power and artillery took a heavy toll, but the Reds kept coming needlessly of losses. More Reds moved up under cover of darkness. Five trains and 1,100 trucks were spotted rolling southward.

An estimated 18,000 Reds were killed in three days to noon Wednesday—by Allied air and ground action. That estimate did not include wounded.

The Chinese assault on the central sector of the 100-mile front was checked four miles north of Kapyong, 33 miles northeast of Seoul, is on the paved Seoul-Chunchon highway—a main Allied supply artery.

The task force swept to within six miles of parallel 38, mowed down the Reds and then returned out of ammunition. A second armored force struck north of Kapyong.

An estimated 750 Reds were killed by the task force.

The Reds had driven a wedge into Allied lines in the area northwest of Chonchon. Artillery barrages supporting the Allied counterblows in that sector were described as some of the heaviest of the Korean conflict.

Report Is Made On Recent TB Survey

Fifty tuberculars from Milam County were reported from the State Health Department in the recent TB survey taken in this county from a total of 4877, according to a report from H. H. Pruett, chairman of the county survey.

These 50 tuberculars were classed in the advanced to suspicious conditions according to their X-rays.

76 non-tuberculars were classed as abnormalities, which have been notified by the Health Department that they are in need of treatment.

The tuberculars along with people having abnormalities makes a total of 126. During the survey taken last year with a total of 4,600 X-rays, 140 tuberculars were discovered along with the abnormalities.

Mr. Pruett said that only two bad exposures were taken this year which is a good indication that the survey was a big success.

In a letter that Mr. Pruett received from Dr. George W. Cox, State Health officer, Mr. Cox expressed his appreciation to Mr. Pruett as chairman of the recent survey and likewise to the volunteer workers, various civic organizations, public service, employees and physicians over the entire county who contributed their time and efforts in this worthy cause.

Second All-Day Price Clinic To Be Held May 2

The second in a regularly-scheduled series of all-day OPS price clinics for merchants and businessmen and the public in six counties and part of

a seventh will be held at Bryan Wednesday May 2, Charles H. Winerich, Jr., director of the Houston Office of Price Stabilization, announced. Staged in cooperation with the Bryan Chamber of Commerce, the price clinic will be held from 9 A. M. until 5 p. m. in the Chamber of Commerce

directors' room, 603 Varisco Building. Ed Kallina, price specialist in the consumer services unit of the consumer goods branch, and F. Owen Curson, price specialist in the food branch, will be the OPS representatives conducting the clinic. Business men and merchants of Brazos, Grimes, Washington, Burleson, Milam, Robertson and Madison are urged to attend the clinic, which is designed to present complete and correct OPS information. Persons in some parts of Madison County may attend, if more convenient, a price clinic at Huntsville Monday, April 30, in the district court room of the Walker County Court House, Mr. Winerich explained. The price clinic at Bryan will be held at regular two-week intervals, every other Wednesday. Mrs. Osborn Johnson, assistant to the chamber of commerce secretary-manager, is the OPS contact in the Bryan area.

Church Women Will Sponsor Fellowship Day Luncheon

Church women are invited to attend the May Fellowship Day Luncheon which will be sponsored by the Cameron Council of Church Women at Cameron Country Club on Friday, May 4, at 1 p. m. with Rev. John Solomon, pastor First Presbyterian Church as speaker. The theme of the meeting will be "Women at Work." The luncheon is an annual highlight in the council's program of the year and is usually held in one of the local churches but was moved to the country club this year in order that all of the women interested might participate in the program instead of some having to prepare and serve the luncheon. The responsibilities of church women will be discussed in regard to joining hands with other Christians in fellowship for larger tasks. She will be urged to dedicate her hands, head and heart to God's work through her church. Bill Holley, manager of the country club will serve the luncheon and tickets will be available to any woman who would like to attend. Mrs. J. L. Callaway is president of the Cameron Council of Church women. Mrs. Hilliard Thomas is fellowship chairman for the council; Mrs. John Henderson is program chairman and Mrs. Wells Smith will give the devotional.

National 4-H Sunday To Be Observed Apr. 29

The importance of prayer will be emphasized by Texas 4-H members in their observance of National 4-H Sunday, April 29. Programs throughout the state are being planned around the 1951 4-H theme, "Working Together for World Undertaking." "As each 4-H member attends the church of his choice, it is the hope that there will be awakened a new realization of the power of prayer," says M. L. Wilson, national director of Extension Work. 4-H Sunday occurs the fifth Sunday after Easter. It is closely linked with Rogation Days, celebrated for centuries in the Christian Church during the three days preceding Ascension Day. It is an outgrowth of Rural Life Sunday, which was first observed in 1929.

First Aid School Begins Classes Monday Night

The person who is trained in what to do and when in case of accident or serious injury does not get excited, he can act with calmness and effectively give first aid and possibly save the life of the victim by applying procedures learned in the free Red Cross First Aid course now being offered in Cameron, Miss Dallye Young, instructor, told her class at the opening session Monday evening. Though invitation had been extended through the press of Milam County to one and all to take this course, only nine persons, all from Cameron, were present for the opening session. Several interested persons had said that the hours 6 to 9 p. m. were impossible for them and the group agreed to change the time to 7 to 10 p. m. for subsequent sessions, which are to be the next five Monday evenings in the school gym. Treatment for shock which follows any fright or accident, was explained Monday by Miss Young, who is Physical Education instructor of Yoe Hi School. Three conditions must be treated immediately by First Aid, these being "bleeding, breathing, and poisoning," Miss Young pointed out. Pressure applied directly to a wound is most valuable aid in case of severe bleeding. Do not move an accident victim, cover him to keep him warm and his blood circulating freely instead. Artificial respiration must be resorted to in case of many accidents and that phase of work will be demonstrated soon. What to do in case of snake bite and other injuries will also be shown and should be learned by every one because of the prevalence of poisonous snakes in this area and other hazards. The class is still open to anyone wishing to enroll and they will still be eligible to receive the Red Cross certificate, Miss Young said. Students will bring a 40 inch square of old sheeting for the next session when bandages will be shown.

Scout Circus To Be Held Friday April 27

Practice runs for Central Texas' biggest and best boys show will be held throughout the 12 county Heart o' Texas Council this week end at Waco.

The big Scout Circus is scheduled for Friday, April 27, with a cast of 4,000 Cubs, Scouts, and Explorer Scouts.

Every phase of the Scouting program for boys of every age is on the program. There will be rope spinning, clowns, wild animals, camping, story-book land parades, and many other events.

A grand entry with the entire cast participating will be heard the opening of the one-and-one-half hour show. One hundred Scout units representing Freestone, Limestone, Falls, Milam, Bell, McLennan, Bosque, Hamilton, and Coryell Counties will demonstrate the Circus theme "Strengthen Liberty."

In addition to the cast of more than 4,000 boys, an estimated 300 leaders of the council are working on the events in preparation for the show.

Tickets are being sold by Scouts and will remain on sale at the entrance gate. The show will begin at 8 p. m. Gates to the stadium will be open at 7 p. m.

P. G. Knudsen is general chairman of the show. George Sauer is events director.

Local Men Attend Jaycees Convention

Milton Schiller and Narvie Caperton attended the Jaycees State Convention recently at the Shamrock Hotel in Houston.

Mr. Schiller, past president of the local Junior Chamber of Commerce and Mr. Caperton, an active director of the organization were in the big parade that began at the Shamrock and marched down main street to downtown Houston.

133 Texas cities were represented at the convention and each city had a slogan attractively displayed in their float. Cameron was represented with the slogan, "The Gen of Them All," that was uniquely shaped in the form of a "Diamond."

Plans and business for the coming year were discussed at the main meetings and the convention was one of the best in recent years.

Max McClaren, who suffered a injured hand Thursday is resting well at Newton Memorial Hospital and expects to be back at his job with the Cameron Herald within the next few days.

They are now calling them the "obstinate" sex.

Bellonites Protest Temple's Attempt To Extend Limits

BELTON, 9April 19—Angry Belton citizens are swamping their next-door neighbors from Temple with 5,000 letters of protest in the proposed extension of the Temple city limits to within 1.1 miles of the courthouse in Belton.

The letters are a reprint of an editorial that appeared in the Belton Journal this week, written by members of the Belton School Board and editor of the journal.

The area that is under consideration in the Temple "land grab" contains the Bob Poage REA plant which is rendered on the county tax rolls for 1951 at about \$560,000.

The revenue from the REA plant is needed to meet a recently voted bond issue. Belton officials declare.

The editorial letter is addressed to the citizens of Temple and will be sent to business people and other residents of Temple. Reasons presented by the Temple council for passage of the extension of the city limits are listed and then each one is answered.

Walter Plocek, Jr. In San Diego, Calif.

"Keep 'em Flying" is a World War II slogan which has a very practical meaning for Walter Joe Plocek, Jr., aviation chief machinist's mate, USN, son of Mr. and Mrs. Walter F. Jones of 2202 Shearn st., Houston, who is a member of Fleet Aircraft Service Squadron 7, based at the U. S. Naval Air Station, San Diego, Calif.

Service squadrons maintain the Navy's aircraft at peak proficiency. They are capable of all types of aircraft repair short of a major overhaul.

Recruiting Officers Encouraging Young Men To Enlist

Chief W. W. Robbins of Temple, Navy Recruiting Officer was in Cameron Tuesday April 17 canvassing for recruits.

Chief Robbins is encouraging any young men who plan to enlist in the near future to try and do so by May 1. He said that recent enlistees from this area are Ray Benuesh and Thomas Stoeber from Burlington and Thomas Harrison of Cameron. His list has decreased from 85 down to three men from February 1 to the present date.

U. S. Casualties Now Total Over 60,775

Announced U. S. casualties in Korea reached 60,775 Wednesday, in increase of 1,379 over last week.

The total, representing casualties reported to the next of kin through April 13, included 9,195 killed, 40,681 wounded and 10,899 missing in action.

Of the wounded 1,068 later died and 100 of those reported missing are known dead, raising the total combat deaths to 10,363.

The missing figure also included 1,141 who since have returned to U. S. Military control and 113 confirmed prisoners of war, leaving 9,545 currently missing.

Two Waco Youths Are Released To Waco Officials Here

Two teen age boys who gave their names as Vernon King and Johnnie Cord of Waco were picked up here Thursday morning by Dick Harris and Mann Arnold, two night policemen.

A local woman reported the boys in her neighborhood as prowling around cars and called the policemen. The boys were picked up and placed in jail.

C. C. Maxey, Sheriff, and Mr. Bartlett, Assistant District Attorney of Waco were in the City Thursday and questioned the boys and they admitted taking a 1940 Ford from the Don Smith car lot in Waco and drove it to Cameron.

Local officials released the boys

to the sheriff of McClellan County and they were taken to Waco and placed in jail there.

Mrs. Gene Blake has returned home after visiting her father, A. Merchant in Houston. Mr. Merchant has been seriously ill for sometime and his condition is still unchanged.

You've Got To Hand It To Sandy

Sandy Johnson's wife "Tiny" suddenly asks him at breakfast the other morning "Why don't you build me some bluebird houses?"

"What for?" asks Sandy. "Why for bluebirds, of course" says Tiny. "We always had 'em at home when I was a girl. May sound silly—but I sorta miss 'em."

Well, I know how busy Sandy's been lately and the thought of taking time out to build birdhouses could have made a lot of men blow their top. But not Sandy. He says, "No, Tiny. It doesn't sound silly. I think it's a

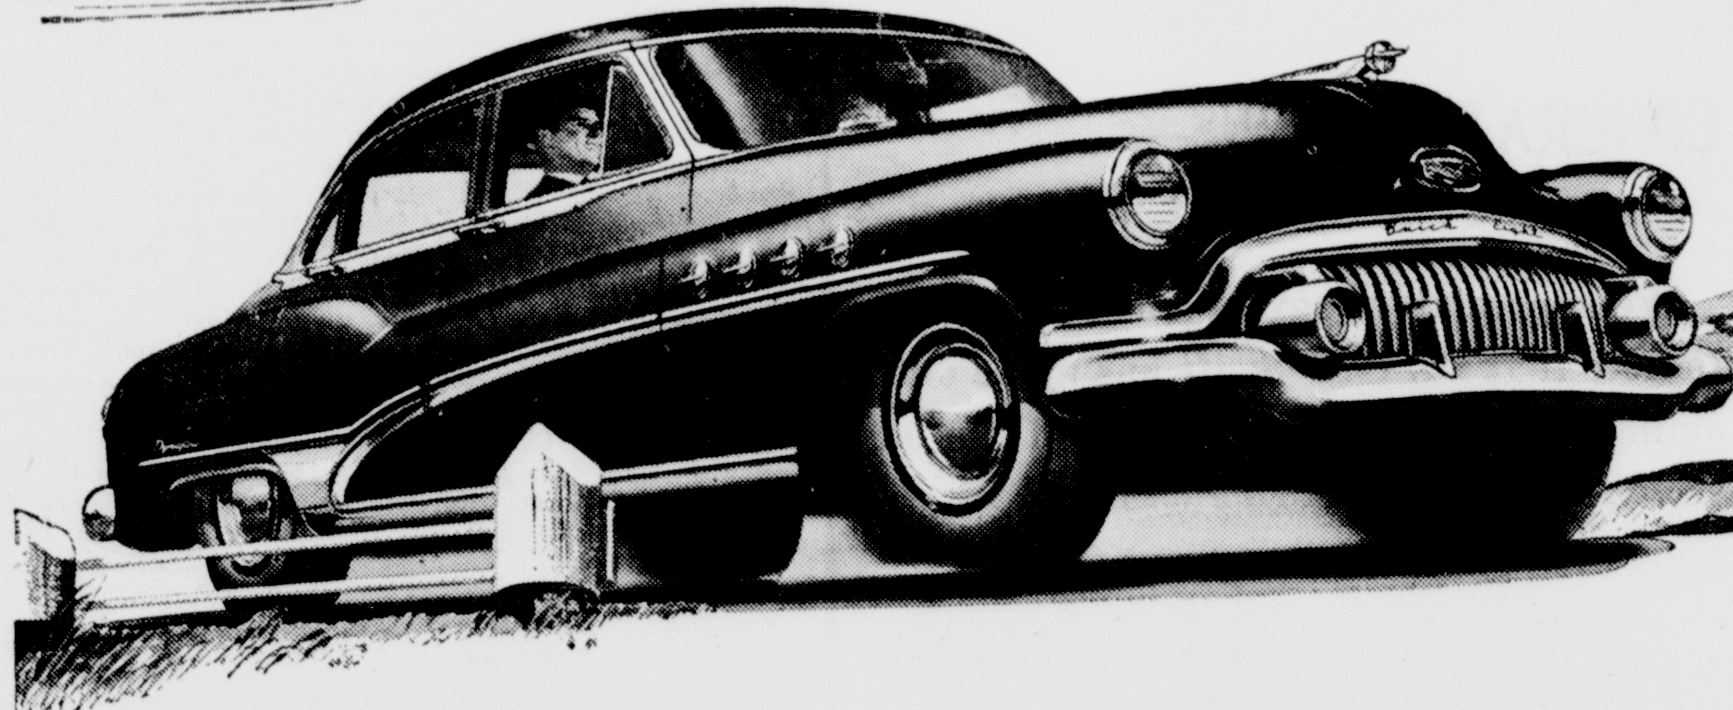

wonderful idea—we're going to have bluebirds—and I'm starting on some birdhouses tonight."

From where I sit, we could do with more understanding people like Sandy—and Tiny, too. He respects her likings, and she respects his. He likes a temperate glass of beer now and then—and although Tiny sticks to coffee, whatever Sandy likes is O.K. with her. They live and let live—and that's why they live so happily.

"Smart Buy's Roadmaster"

FIREBALL POWERED

IT started the day the 1951 ROADMASTER made its first appearance—and has been building up ever since.

Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions—and the prices—and said, "Here's the smart buy in the fine-car field."

Why don't you come and see for yourself what a sensational buy this proud beauty really is?

It's a honey to handle—a joy to ride in—and just about the handsomest thing on wheels.

It has room, and poise, and a level-going gait that comes from coil springs front and rear.

There's a triumphant thrill in the willing obedience of its Fireball power and the luxurious ease of its Dynaflo Drive, which doesn't cost you a penny extra.

There's a sweeping view fore and aft through broad and uncluttered glass areas, and the new clarity of an instrument panel with high visibility at night.

Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove.

Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

Vets Must Act On Govt. Insurance

Veterans of World War I or II must act fast if they obtain government insurance under the present setup.

The new service insurance bill, passed by Congress last week, is awaiting President Truman's signature now, and after he signs it there'll be no more new policies issued to veterans not now in service," he said.

"Any veteran not now protected by the government insurance available to veterans of either war would better have his application signed before the president signs the new bill.

Policies now carried by veterans are unaffected by the new measure.

FISHIN' TIPS

BY ANDY ANDERSON

GET two or more fishermen together and you find an argument about the best way to handle fish in removing them from the hook. Some say to wet your hands, others say this isn't necessary. Take your choice. But you can sometimes save the life of an undersize bass by trying the following.

BRING the fish as near the boat as possible. Close enough so that by holding the rod in your right hand you can reach it with your left. Keep the fish in the water so that only its mouth protrudes. Then insert your left thumb into its mouth and pressing firmly on the outside of the lower jaw with your index finger. Then lift it out of the water, holding it that way until the hook is removed. If you wish to return the fish to the water you can do so without harm to the fish from contact with your hands.

DON'T TRY this with some of the salt water species such as mackerel, red snapper or kingfish. They have teeth and can scar you up. However, I regularly handle speckled trout, croakers and sand trout that way.

American Legion Steers Clear Of Truman-MacArthur Row

The State American Legion wants no part in the Truman-MacArthur "political" squabble, but endorses the MacArthur military strategy.

That policy stand was taken by the Legion's State executive committee at a meeting in Austin.

By unanimous action the committee declared the "personal and political controversy" between the President and General MacArthur is not a proper subject of concern to the committee or the State Legion.

The MacArthur military strategy however, the committee said, had been endorsed by the Legion for 2½ years.

The committee reaffirmed that policy by calling for the ousting of secretary of State Dean Acheson, and for American efforts to expel Russian from the United States and to support the nationalists in the re-conquest of China.

The action was taken through adoption of a lengthy report by Senator Rogers Kelley of Edinburg, chairman of the State Legion's foreign affairs committee.

The report closely followed views expressed in an address by Don Wilson of West Virginia, chairman of the national Legion's foreign relations commission and candidate for national Legion commander.

About 200 Legionnaires attended the meeting.

Mrs. John Matyastik accompanied her daughter, Mildred to Bryan last Friday where she shopped while Mildred observed teaching in the Crockett and Travis Elementary schools.

He also pointed out that the regulation covered stadium and ball park concessions, including those operated by schools and colleges.

Any suitable form may be used in compiling the statement. However, Mr. Hopkins suggests that either letter size or legal size paper be used.

He also said that eating and drink establishments must keep two copies of all menus and price lists after January 15, 1951 in their places of business.

Draft Call For County Reduced to Five Men

An official cancellation of the call for 22 men for preinduction physical examination for May was received by the Milam County Local Board No. 92 April 23. The induction call, which was originally for 11 men has been reduced to 5. This group for induction will leave May 21, 1951 at 1:30 P. M. by Central Texas regular bus. They will be inducted May 22, 1951 at Love Field in Dallas.

An earlier order was received from General Wakefield, State Director of Selective Service, advising all local boards to withhold mailing orders for preinduction physical examination and induction for May, pending further orders. The local boards have such a large group of men who have already been examined and accepted that the May call for examinations was not necessary.

Lacol Board No. 92 in Cameron has a back-log of 71 examined and accepted Milam County men who are awaiting orders for induction.

Unit To Be At Camp Polk For 2 Weeks

Battery C, 649th Anti-Aircraft Artillery Battalion along with other units of the 49th Armored Division will attend summer camp at Camp Polk, La., from June 10th to the 25th of this year, according to a tentative schedule which has just been received by the local National Guard unit here.

Although the schedule is still tentative, it is believed unlikely that it will be changed.

Plans call for members of Battery C to travel to Temple in their own vehicles. There they will assemble with other units of the 649th Battalion and board a special train for the trip to Camp Polk. They will travel in Pullmans and will have their own kitchen car for meals en route. At Camp Polk they will be quartered in barracks recently occupied by the 45th Division which was shipped to Japan. The camp is reported to have been completely rehabilitated, and it has plenty of PX's, movie theatres,

chapels and Service Clubs for use by the Guardsmen in their off duty hours.

The return trip also will be made by special train, and the Guardsmen are expected to arrive home on June 25th.

Commenting on Battery C's tracking and aiming practice held for the past three Sunday afternoons at the Cameron airport, Capt. Michalka said he believed the gun crews had received some real benefit. He expressed appreciation for the cooperation of the Harry Rogers Air Service and the pilots who flew the planes in making this training possible.
